

Global C2 Integration Technologies is seeking a Senior-level Program Manager to lead the Pocket J maintenance, Cybersecurity, and systems upgrade program team.

PRIMARY DUTIES, RESPONSIBILITIES:

Serves as the Program Manager for the Pocket J systems maintenance, Cybersecurity, and systems upgrades program. Pocket J is the primary ground-based Tactical Data Link (TDL) Gateway supporting Headquarters Air Combat Command and the North American Aerospace Defense Command (NORAD) air sovereignty missions for Home Land Defense (HLD) in direct, functional support of the Continental United States (CONUS) NORAD Region (CONR) Concept of Operations.

Skills Required:

- Current Secret security clearance
- B.S. degree
- Demonstrated senior-level experience (7+ years) in the management of substantial design, development, and test projects
- Experience in organizing, directing, and coordinated planning and implementation of contract support activities
- Recent, relevant experience with interfacing with government and contractor personnel
- Experience with the formulation and review of project feasibility studies
- Demonstrated experience in interpreting and implementing productive organizational policies, purposes, and goals for subordinates
- Managed logistics support for military systems
- Managed system safety studies
- Experience identifying, acquiring and utilizing all required resources to achieve project objectives
- Understands the Air Force budget system
- Recent relevant experience with systems upgrades and test planning, successful execution, and post implementation documentation and senior staff briefing development and presentation
- Proficient at using IMS, Excel, Project, and AF CAM
- Excellent organizational, interpersonal communications and writing skills; to include experience with technical and professional writing

Desired Qualifications/Experience :

- Current Top Secret security clearance
- 15 years DoD experience as a military and/or contractor personnel
- PMP Certification
- Previous Pocket J or similar DLO-TDL network support experience
- AOC graduate and/or experienced JICO
- Master's Degree

Location: Austin, TX preferred, 'remote' possible with optimal candidate

Clearance Required: Current SSBI Top Secret security clearance

Job Type: Full-time, Contract – Contingent Upon Contract Award

Compensation: Based on experience
