

Link Instructor

Fort Liberty, NC - Full-time – Not a remote position

Global C2 Integration Technologies is looking for talented and enthusiastic Link Instructor. The Link Instructor is responsible for delivering Tactical Data Link (TDL) training to enhance the interoperability and operational effectiveness of U.S. and allied forces. This position focuses on teaching foundational and intermediate courses, including JT-201 and JT-102, to provide students with the knowledge and skills required to operate, configure, and integrate multi-TDL systems such as ADSI, MOJO, and BC3. Leveraging extensive operational experience and technical expertise, the Link Instructor supports classroom and practical exercises, ensuring course materials align with current TDL standards and mission requirements. This role plays a key part in advancing joint and coalition force capabilities through high-quality, mission-focused instruction.

Responsibilities:

- Teach JT-201 and JT-102 multi-TDL courses.
- Assist with course development and scenario-based exercises.
- Ensure course materials align with evolving TDL standards and practices.

Experience Required:

- Minimum 6 years of TDL-related experience.
 - Experience in JICO/RICO/SICO/JICC roles; each filled billet or exercise counts as credited experience.
- Expertise in operating, integration, configuring, and modifying various C2/TDL systems such as BC3, MSCT, TDF, CAC2S, ADSI, TRAX, JRE, MOJO, FAADC2, etc.
- Military instructional experience required, preferably at E6/O3 or above.
 - Or have an additional 3 years of datalink experience.

Education:

- Graduate of JT-201.
- Bachelor's degree in IT, Computer Science, or related fields.
 - If no bachelor's degree an additional 3 years of datalink experience is required

Eligibility:

- Must have current Secret U.S. DoD Security Clearance; Top Secret with SCI eligibility preferred.
 - In order to obtain a U.S. Security Clearance, an individual must be a current U.S. Citizen in accordance with Executive Order 12968.

PHYSICAL DEMANDS: The physical demands described here are representative of those that must be met by an employee to successfully perform the essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions. While performing the duties of this job the employee is regularly required to climb, bend, stretch, walk, sit use hands to handle or feel; frequently use fingers to type; talk and hear; occasionally stand, kneel, stoop, crouch, bend, twist or reach out; may require lifting or moving 10 lbs.; frequently required to reach with hands and arms. Vision requirements for this position include close vision, distance

vision, color vision, peripheral vision, depth perception and ability to adjust focus. Individual may be required to sit for extended periods consecutively to fulfill mission requirements.

WORK ENVIRONMENT: Work environment will have moderate noise when working in an office environment.

ADDITIONAL INFORMATION:

Travel may be required both within the continental United States and to foreign countries.

Equal Opportunity Employer - The Company does not discriminate based upon race, religion, color, national origin, sex, sexual orientation, gender, gender identity, gender expression, transgender status, sexual stereotypes, age, status as a protected veteran, status as an individual with a disability, or other applicable legally protected characteristics.

All applicants must be able to perform the essential functions of the position, including corresponding core job requirements, with or without reasonable accommodation. Reasonable accommodations may be made to enable individuals with disabilities (and others in accordance with applicable law) to perform the essential functions of the job, consistent with applicable laws and Company policy.
