

Logistics Specialist (Logistician)

Fort Liberty, NC - Full-time – Not a remote position

Global C2 Integration Technologies is looking for talented and enthusiastic Logistics Planner. The Logistics Specialist is responsible for planning, coordinating, and managing logistical operations to support Tactical Data Link (TDL) training and Mobile Training Teams (MTTs). This role includes tracking and shipping equipment, maintaining inventory, and ensuring the timely delivery of training materials to domestic and international locations. By leveraging expertise in logistics management and defense transportation systems, the Logistics Specialist ensures seamless support for training operations, contributing to the readiness and operational success of U.S. and allied forces.

Responsibilities:

- Plan and manage logistics for Mobile Training Teams (MTTs) and course deliveries.
- Track, ship, and maintain training equipment and materials.
- Produce shipping and expense reports for logistical operations.

Experience Required:

- Two years of experience, education or training involving judgment and/or analytical ability in the DoD logistics.
- Two years of experience in government equipment accountability and maintaining property accounts in Defense Property Acquisition System.
- Two years of experience shipping government equipment domestically and internationally through DMO or third - party carriers such as FEDEX, UPS, DHL, and USPS.
- Knowledge/experience with military packing standards.
- Knowledge of the applicable logistics management principles, concepts, policies, and laws; logistics functions, programs, and systems applicable to the duties of position; sources, responsibilities, and means for aiding and advice to resolve logistics problems, and all aspects of integrated logistics support.
- Ability to analyze, plan, and adjust work operations of one or more.

Desired Education:

- Highschool diploma

Eligibility:

- Must have current Secret U.S. DoD Security Clearance; Top Secret with SCI eligibility preferred.
 - In order to obtain a U.S. Security Clearance, an individual must be a current U.S. Citizen in accordance with Executive Order 12968.
